

# The Proposed NSPC 2022-23 Board of Directors

## Estha Parg Murenbeeld

There's two parts to this job: advocacy and operations. I'd like to stay on the Board another year to finally see the new courts we've been advocating for since 2019 constructed at Little Cates and maybe an announcement of courts at Hugo Ray too. This season I'm looking forward to facilitating a welcoming club for our growing base of recreational, competitive and new players. While I'm happy to keep writing the newsletter, I hope to bring new volunteers into NSPC leadership. After all, pickleball is the goal!

## Karen Wilson

I joined the Board in the Spring of 2020 and it's been a wild ride, but I can't get off now! I really want to finish this process and be part of the celebration when we finally get Dedicated Courts at Little Cates! Hold onto your hats folks and stay tuned!

I grew up on Roslyn Blvd. where my parents bought a lot, cleared it and built a home for my family in 1958. I have lived in North Vancouver since then.

I love the Pickleball Community and love the game! For this reason I am passionate about growing this sport!

## Randy Reimann

I am a 62 year old retired/ recovering engineer. I have lived in the Edgemont Village area for the past 26 years. I worked for 25 years with BC Hydro mostly doing resource planning.

Recent convert to pickleball – am now thoroughly addicted. Also love hockey, golf, and skiing.

I have moved onto the role of Treasurer this year so that I can continue to participate in the club while travelling winter months in our motorhome. Working on spreading the good name of the North Shore Pickleball Club across the western US as we stop and

play in various RV sites.

## Kit Chan

Taking care of the equipment needs for the club is pretty straight forward. I took on the role of organizing a round robin tournament last year and the NSPC Ladder for this year. That was quite a challenge in getting the rules right so that the event can take place within the time and weather constraints. We have over 90 members who registered for the Ladder this year and it will run till September.

## JoAnn Harrington

Watching pickleball grow in popularity has been very exciting but also very challenging. I would love to see the facilities for the sport keep up to the demand so that the game is accessible to as many people as possible. This is extremely challenging in West Vancouver as sites for the sport are sparse. As a joint North Shore group I believe we have a stronger voice. I will continue to liaise for the West

Vancouver area and look forward to meeting more new people at the new Normanby location while at the same time help find a new permanent home for pickleball in West Vancouver.

## Elvyna (Vyna) Kerrey

I am a retired IBM Software Development Manager, ex-teacher and trampoline coach, and I have lived in the Deep Cove/Indian River area for 30 years.

A tennis and badminton player, I started playing pickleball in the spring of 2018. After meeting Alan Gauthier and the group at Murdo Fraser in May 2018, I joined the NSPC and have been playing several times a week ever since.

I have met many NSPC members through hosting at Parkgate rec. centre and from playing at John Braithwaite, Mahon, Little Cates and Murdo Fraser. Some of you may not recognise me with hair off court, as I have Alopecia and wear a headscarf when playing.

I am looking forward to meeting many more members during club drop-in sessions and events.

## Non-Board Volunteers

### Shashi Shrivastava: Social Committee

To all club members, I would like to note that I really enjoyed working together with the present Board Members - it was fun and very productive.

I am stepping down as I would prefer to concentrate on the social activities of the club and make a better mix of “dinking” and “drinking” and of course socializing!

I would also like to thank the present Board Members for their dedication and hard work and wish them and new incoming members good luck.
